Collects Yor: The Hunter from the Future #1-4. In 1974, Argentinean master storytellers Ray Collins and Juan Zanotto created Henga el Cazador, known in the English-speaking world as Yor, the Hunter from the Future! An elegantly drawn pulp adventure on par with other classic barbarian stories, Yor‚Äôs comic book saga has much richer detail and backstory than the legendary cult film, including deleted scenes and numerous twists and turns that will be all new for fans who know only of the movie! Throughout this classic, action-packed volume, Yor battles everything from dinosaurs to barbarians to flying saucers, all while protecting his lovely mate from peril. If you like your fantasy heroic‚Äîwith a mighty dose of retro SF, - THEN YOR'S THE MAN for you!

Discover the classic story of The Three Musketeers like you've never seen them before... In an action-packed Manga version! A bold new take on a classic story.

1627. A young, noble and penniless man rides towards Paris. The impetuous d'Artagnan harbors a single dream: to become a Musketeer of the King and thus join an elite corps symbolizing prestige and heroism. By a twist of fate, he will cross paths with three valiant companions in arms: Athos, Porthos, and Aramis, known as the Three Musketeers! In the realm of Louis XIII, conspiracy reigns. Catholics strive to retain their power against Protestants, the English are perceived as a threat, and the Musketeers must thwart the schemes of the powerful Cardinal de Richelieu and his elusive accomplice, Milady de Winter. But don't they say that strength lies in unity? The Three Musketeers have made it their motto: "One for all... all for one!"

COVER
KOREN SHADMI

A vibrant new graphic novel anthology celebrating the rich diversity of Jewish experiences across the globe.

Hyphen is a powerful celebration of Jewish life—amplifying voices that have too often been overlooked. This collection features 12 deeply personal, real-life stories of Jews from racially, ethnically, and culturally diverse backgrounds around the world. Each story is told in their own words and uniquely illustrated by a roster of acclaimed international artists. From ancient traditions to modern journeys, these voices reflect the true diversity of the Jewish experience today.

Not stories about them—stories by them.

The Adventures of Wonder Duck in: The Mountains of Sector Photon
After a massive explosion rocks the Mountains of Sector Photon, miners are left trapped and in grave danger. Wonder Duck is thrust into action, but before he's even had time to find his footing, this rescue mission quickly becomes something far more dangerous. Beneath the rubble lies a terrifying secret... and a monstrous threat that may be more than Wonder Duck can handle.
Can he survive his first true test? And who or what is really behind the explosion?

Now for the first time, the complete history of the illustrated James Bond is chronicled by pop-culture historian Alan J. Porter in James Bond: The History of the Illustrated 007. Before Bond became world famous with his movie series, the character was the subject of successful English newspaper strips and later in comic books. James Bond: The History of the Illustrated 007 examines it all, covering Bond's newspaper strip and comic book appearances from the 1950s to the present.

Hermes Press is proud to announce their second major collaboration with Paws, Incorporated producing another unique title featuring everyone‚Äôs favorite orange cat, GARFIELD!
Hermes and Paws have come together to treat the world to a compendium of the greatest examples of original artwork from classic Garfield daily and Sunday comic strips in their original size, including rare unpublished strips, that has never been seen before (the Sunday strips will be reproduced in a slightly smaller format due to their huge size)! This historic archival reprint will feature hundreds of pieces of original production art from the comic strip, with an introductory essay from Jim Davis himself! If you love Garfield and want to experience the strips as they were originally drawn, this is the book for you! From the very beginning in 1979 to the last non-digital strip in 2011, this purrfect book shows you Garfield like you‚Äôve never seen him before! Jim Davis‚Äô Garfield: The Original Art Daily and Sunday Archive dives deep into the treasures contained in the vaults of Paws, Inc. See how Garfield has evolved over the years! See gags with characters that no longer appear in the strip (We miss you Lyman!) in the original inks, with notations galore from the man behind it all, Jim Davis! Garfield, Odie, and the rest of the gang come to life in this full-sized archival reprint.

On October 3, 1977, Star Hawks premiered and introduced newspaper readers to the best science fiction/action comic strip in the last thirty years. Star Hawks combined the talents of renowned science fiction writer Ron Goulart and famed comic artist Gil Kane. The strip also introduced a two-tiered format to daily newspaper comic strips. Each daily installment of Star Hawks had the look and feel of a Sunday strip. The strip ran for three-and-half years and has never been reprinted in its entirety. This book will reprint the entire continuity of 1,244 strips together with all of the Sunday strips. All the Sunday strips will be presented in full color. The book has an introduction by Ron Goulart together with a comprehensive essay about Star Hawks. Numerous examples of original artwork used in the strip are also used to explain Gil Kane's composition methods.

When cartoonist Elzie Segar created Popeye, as a minor character ten years into the run of the Thimble Theatre strip in 1929, little did he know that the world's most famous sailor would still be around over ninety years later and still being offered as a Sunday feature. To celebrate Popeye, the character, the comic strip and his universe, a feature cartoonist Charles M. Schulz described as ‚Äúperfect... consistent in drawing and humor,,Äù Hermes Press is publishing the definitive art monograph on the subject. This 300 plus page book features a comprehensive essay written by pop culture historian R.C. Harvey accompanied by over 350 illustrations of original strip and comic book art, animation art, illustrations, advertising art, products, the Robert Altman film, and everything Popeye. Every aspect of Popeye is explored, from Olive Oyl and Eugene the Jeep to Wimpy and Bluto. So, if you've ever read the strip, watched the cartoons, seen the movie, or ever eaten spinach and wondered if you'll have super-powers, this new comprehensive history is a must.

Mort Walker, the ""Dean of American Cartooning,"" left behind a legacy that extended far beyond his Beetle Bailey and Hi and Lois fame. For the first time ever, Hermes Press and Bill Janocha (Walker's assistant) present a rare selection of gags and art from Walker's early years, before Beetle-mania took over the world. This historical book contains examples of the work he did prior to Beetle Bailey, and explores the evolution of his style and showcases his many gags, from his early comics in Showme magazine to the work he did for the Saturday Evening Post. This tome also contains historical essays detailing his life and career, up until his death in 2018 as written by Janocha. This special project has been nine years in the making, and is something any fan of Mort Walker will need to own.

THRILLING MYSTERIES OF THE MACABRE! Throughout history and infinite dimensions, there exists a secret group of supernatural investigators operating on the fringes of society, lurking in the shadows, working strange cases with little reward. They are hardboiled zombies and ghosts, mythological creatures, ass-kicking vampires, tortured humans, and uncanny sleuths whose normal is the bizarre and weird.

Now, for the first time, Kevin J. Anderson, Steve Niles, Nancy A. Collins, Joe R. Lansdale & Kasey Lansdale, David Avallone, Jonathan Maberry, Lisa Morton, Nancy Holder & Alan Philipson, John Jennings, Tim Waggoner, Jeff Strand, Rena Mason, and James Aquilone bring their weird investigators together for Dead Detectives Society #1, a one-of-a-kind anthology of 13 all-new stories, each accompanied by an illustration.

Four kingdoms exist on the sci-fi world called The Deck. Only one of those kingdoms can hold the seat of power; that kingdom is called Trumps. The Diamonds have held the seat of power since the last shuffle but the King of Clubs is waging war to wrest that power from the Diamonds so the Clubs can be trumps. The Queen of Diamonds is sick and on her deathbed, distracting the king from the war. Meanwhile, the Spades and Hearts are powerless and sitting out the fight...or are they? The Queen of Spades is working to convince the Jack of Diamonds to dethrone his king, and then they can unite Diamonds and Spades and become Trumps. Trumps is Game of Thrones meets Lord of the Rings with a sci-fi twist.

When a pair of podcasters looking for haunted houses visits an abandoned colonial village in Dudleytown, Connecticut, they discover that the rumors about this place are true—it is occupied by something very old, and very evil. As they venture deeper, they realize Dudleytown's malevolent roots grow deeper than they could ever imagine... and they are its next victims!
